**SMART GOALS**

Goals give you direction, focus, and purpose. They also give you something to work toward. Just make sure that your goals are SMART goals.

**S** Specific

Specific goals are well-defined and clear-cut. Instead of "I want to do better in school," a more specific goal would be "I want to earn a C grade."

**ATTENDANCE**

Why is being in school every day important?

IT IMPACTS YOUR GRADES

Even if you miss just a few days here and there, your grades are likely to suffer.

**Growth Mindset**

Sometimes your successes, failures, talents, and shortcomings are defined by how you look at them—and by the mindset you have. If you have a growth mindset, you can turn the things you think you can't change into opportunities for growth and discovery!

**Critical Thinking**

Critical thinking is the act of examining the facts and challenging your assumptions so that you can evaluate information objectively. Essentially, it means that you think independently, clearly, and rationally when evaluating information.

What are the benefits of critical thinking?

**Academic Integrity**

Academic integrity means that when it comes to academic endeavors, you are honest and responsible. You don't do anything to give yourself an unfair academic advantage, and the grades you receive are a result of your own efforts.
