Design Information

▶ Personalizing your books means that your information is added to the bottom of the front covers. We do not have the ability to change the cover.

▶ You have three personalization options: text only, logo only, or logo and text. If including a logo, please submit a high resolution image (PDF, jpeg, png, tiff, etc.).

Submitting your personalization

▶ **If you're ordering online**

Submit your information using the personalization tab at the bottom of the book product page.

Option 1 - check the "repeat previous personalization" box

Option 2 - upload your logo and/or text and hit submit

Option 3 - use the custom product designer

▶ **If you're ordering with a purchase order**

Submit your personalization (or check repeat personalization box) at woodburnpress.com/personalize.
