Growth Mindset

Sometimes your successes, failures, talents, and shortcomings are defined by how you look at them—and by the mindset you have.

If you have a growth mindset, you can turn the things you think you can't change into opportunities for growth and discovery!

Growth Mindset

Rack Card

ATTENDANCE

Why is being in school every day important?

IT IMPACTS YOUR GRADES

Even if you miss just a few days here and there, your grades are likely to suffer.

Attendance

Rack Card

SMART GOALS

Goals give you direction, focus, and purpose. They also give you something to work toward. Just make sure that your goals are SMART goals.

S Specific

Specific goals are well-defined and clear-cut. Instead of "I want to do better in school," a more specific goal would be "I want to move to a 2.0 GPA."

SMART Goals

Critical Thinking

Critical thinking is the act of examining the facts and challenging your assumptions so that you can evaluate information objectively. Essentially, it means that you think independently, clearly, and rationally when evaluating information.

What are the benefits of critical thinking?

How To ACE YOUR TESTS

With the right test prep and test-taking strategies, you'll spend less time studying and you'll get better test grades.

How to Ace Your Tests

Rack Card

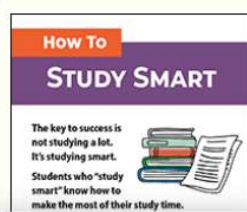

How To READ TO LEARN

To do well in your classes, you must be able to understand and remember the information you read.

To comprehend and retain more of what you read, follow these three steps:

How to Read to Learn

Rack Card

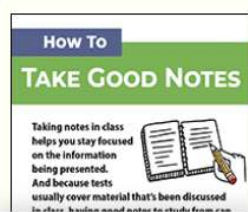

How To STUDY SMART

The key to success is not studying a lot. It's studying smart.

Students who "study smart" know how to make the most of their study time.

How to Study Smart

Rack Card

How To TAKE GOOD NOTES

Taking notes in class helps you stay focused on the information being presented. And because tests usually cover material that's been discussed in class, taking good notes can help you do better on tests.

How to Take Good Notes

How To SUCCEED IN CLASS

Showing up for class isn't enough. To succeed in your classes, you need to be engaged and involved.

When you're engaged, you are more likely to learn and remember what's being taught.

Academic Integrity

Academic integrity means that when it comes to academic endeavors, you are honest and responsible. You don't do anything to give yourself an unfair academic advantage, and the grades you receive are a result of your own efforts.
